

ICE HOCKEY - THE FASTEST MOST EXCITING TEAM SPORT IN THE WORLD!

We are proud to be associated with the **WIGHTLINK RAIDERS**, a team with a proud eighteen-year history, and we are offering YOU the opportunity to become involved in this increasingly popular sport.

Running a semi professional sport, especially with the extra costs incurred by being island based, is extremely expensive but with a little help from Island businesses such as yours we hope to keep Ice hockey on the Isle of Wight. Any support that your business gives us will help us focus more on youth & community development through our expanding schools and junior development programmes

As you can see we are able to offer *huge advertising opportunities with exposure for your business ranging from hundreds each week at the Ryde Arena - to millions travelling to and from the island.*

With such a wide choice of packages there is something to suit everyone so please consider this carefully. **For a small outlay your business will benefit, your team will benefit, your community will benefit and you will benefit!**

We look forward to discussing this with you in the very near future.
